

# Lakeville News

Inspiring Students Daily!

## Movie Night Tonight!

When

Friday, Sep. 16th, 7pm

Where

1400 East Lakeville Road MI

[Get Directions](#)

More information

Please join us for Lakeville's first OUTDOOR Movie Night featuring Jungle Book! Bring your lawn chairs, blankets, PJs, etc!

## Picture Retake Day

Picture Retake Day is Wednesday, September 28th in the am only.

Only students and staff not photographed on August 26th will be photographed on that day!

BUT ... if students bring in a note to their teachers stating that they'd like to be retaken because they didn't like the first pictures. A WRITTEN NOTE IS REQUIRED!

No money needs to be paid at the time of photos, but students will be sent home with a packet with instructions for ordering (if parents wish to order).

## Wildcat Dash

When

Friday, Sep. 30th, 9-11:30am

Where

1400 East Lakeville Road MI

[Get Directions](#)

More information

Information about Wildcat Dash and volunteer opportunities, see the bottom of this page.

## Wildcat Dash Volunteer

Want volunteer for the Wildcat Dash? Follow the link below...

### International Baccalaureate

Lakeville Elementary is an International Baccalaureate school. To learn more about our IB programme, see the IB welcome message below.

### Taking Action

Our students are encouraged to make the world a better place with even the smallest act of kindness.

### Learner Profile

This month, we are focused on being caring within our community. To illustrate the importance of being caring to others, the book [Pink!](#) is an excellent choice.

## IB Welcoming You!

*Dearest Parents and Guardians,*

I am Christine Vince, the Lakeville and Leonard Elementary IB Primary Years Programme (PYP) Coordinator. I am here to support you, your child, and your child's teacher in the International Baccalaureate (IB) Programme.

As an IB student, your child has the opportunity to be a part of a curriculum that encourages lifelong learners and a vision to make the world a better place. This is done through dedicated teachers that have a love for learning and a true passion to see your child become his/her best possible self. The IB elementary program is called, the Primary Years Programme, or PYP.

Here is a quick description of the elements of the PYP.

***By incorporating these five Essential Elements into all the teaching and learning, we aim to develop the whole child.***

- **Attitudes**- there are 12 attitudes we encourage students to **show** every day, in order to **be**

the learner profile.

- **Skills**- there are 5 skills that students develop and use to be successful in the classroom and in life.
- **Concepts**- teaching students concepts, in addition to topics, helps students make connections in their learning which helps them build a greater depth of understanding. Some sample concepts are: perspective, community, change.
- **Knowledge**- consists of all the subject areas taught in school and all the required standards.
- **Action**- IB sees the ability to take action as the highest form of assessment because, if you can do something with your learning, then you have true understanding. Samples of taking action range from using manners and helping others to researching topics on your own and starting a petition to create change. We ask students, "Why is this learning important? What can you do with your new understanding?"

I am passionate about the work we do in Oxford with the IB Programme. My job is to help in every way, to support the students, the teachers, the entire school community.

If you have any questions about the program or would like to get involved, please feel free to send me an email, and we can work together.

*Enjoy the day-*

**Christine Vince**

Primary Years Programme Coordinator

## Parking Lot Update

Great job PARENTS! The parking lot is going much smoother this year! Thank you for your cooperation!

Here are a few reminders...

- Put the child's LAST name in the front window of your car
- Pull ALL THE WAY up to the cones before dropping off or picking up students
- Drivers should not exit their car when in the drop off lane (front or back lot)
- Smile and thank the people that are working hard to keep your kids safe!

## Lakeville Elementary School

 @lakeville\_ocs

Through inquiry, we inspire our students to learn, to grow, to care, and to achieve in a global society.
